BlueSky School Board Member 2015-present -- I have attended frequent training on Board Governance, Finance and Employment Matters. As a teacher for the past eleven years, I've chaired and served on a variety of committees including PBIS, AVID, Inclusiveness Planning, Curriculum, Student Activities, and School Strategy Meetings.
Cub Scout Troop 9037 2015-present
Involved Parent Community Outreach Volunteer Our yearly activities include camping, park cleanup, and stewardship of the environment.
Odyssey of the Mind - Garlough 2015-present 1st Division Coach I work with young students on using creative thinking to solve problems.
Garlough Volunteer 2014-Present Volunteer yearly at school community events such as the Hoot Hike, PIE Night, Scholastic Book Fairs, Summer get-togethers, and other events.

List two or three goals that you would like to see accomplished during your term on a commission.*

For the Charter Commission, my concern is that we have a full commission and continue to provide the foundations of strong governance in WSP. I've followed the Commission's decisions the last few years, and I'm interested in helping continue that work.

For the cable commission, my work as an online teacher has emphasized the necessity of all residents having access to multimedia communications in order to share values, to learn and to strengthen communities. On the commission, I would work to continue strong consumer protection and work with our partners to continue expanding service to all residents.

How did you become interested in serving on a committee?*

I saw the advertisement on WSP's Facebook. I've previously applied for Charter Commission as well, and I am still interested.
