

FACT SHEET

Sewer Repair Contractors

To perform sewer repair work in West St. Paul, **ALL** plumbing and pipe-laying contractors are required to obtain a sewer permit prior to the start of work. The contractor you choose must have either:

- A Minnesota Master Plumber License and a \$25,000 state bond from the Department of Labor and Industry, or
- A “Pipe-Layers Card” which has been approved by the Commissioner of the Department of Labor and Industry, an original plumbing contractor code compliance bond and a SSTS business license surety bond
- Additionally, all contractors must provide a Certificate of Insurance showing evidence of liability insurance and worker compensation coverage.

Please keep in mind that the City of West St. Paul does not recommend one contractor or repair method over any other, this information is being provided as a service to you. This list is subject to change.
