

Contractor Requirements for sewer contractors.

License and verification Requirement

City Staff will verify the status of the Plumbing or Pipe-laying Bond on the Minnesota Department of Labor & Industry website at the time of permit application and issuance.

The applicant **does not** need to provide a copy of their State License or Bond to the City.

If working in the Public Right of Way, the applicant must provide a copy of their insurance certificate at time of permit application.

Additional Information: See link below for further licensing information
