INITIATIVE AND REFERENDUM

Section 5.01. Powers Reserved by the People. The people of West Saint Paul reserve to themselves the power, in accordance with the provisions of this Charter, to initiate and adopt any ordinance, except an ordinance appropriating money or authorizing the levy of taxes, and to require any ordinance or resolution when passed by the Council to be referred to the electors for approval or disapproval. These powers shall be called the initiative, and the referendum, respectively.

(Ord. 97-14, passed 8-25-97)

Section 5.02. Expenditures by Petitioners. No member of any initiative, or referendum committee, no circulator or a signature paper, and no signer of any such paper, or any other person, shall accept or offer any reward, pecuniary or otherwise, for service rendered in connection with the circulation thereof, but this shall not prevent the committee from paying for legal advice and from incurring expenses for stationery, copying, printing and notaries' fees. Any violation of the provisions of this section is a misdemeanor.

(Ord. 98-01, passed 1-26-98)

Section 5.03. Further Regulations. The Council may provide by ordinance for such further regulations for the initiative, and referendum not inconsistent with this Charter, or in limitation of this Charter, as it deems necessary.

(Ord. 97-14, passed 8-25-97)

INITIATIVE

Section 5.04. Initiation of Measures. Any five registered electors may form themselves into a committee for the initiation of any ordinance except as provided in Section 5.01. Before circulating any petition, they shall file a verified copy of their proposed ordinance with the City Clerk together with their names and addresses as members of such committee. They shall also attach a verified copy of the proposed ordinance to each of the signature papers herein described, together with their names and addresses as sponsors therefore.

Section 5.05. Form of Petition and of Signature Papers. The petition for the adoption of any ordinance shall consist of the ordinance, together with all the signature papers and affidavits thereto attached. Such petition shall not be complete unless signed by a number of registered electors equal to at least ten percent (10%) of the total number of votes cast at the last preceding regular municipal election. All signatures need not be on one signature paper, but the circulator of every such paper shall make an affidavit that each signature appended to the paper is genuine signature of the person whose name it purports to be. Each signature paper shall be in substantially the following form:

INITIATIVE PETITION

Proposing an Ordinance to _____ (stating the purpose of the Ordinance), a copy of which Ordinance is hereto attached. This Ordinance is sponsored by the following committee of registered electors:

<u>Name</u>	<u>Address</u>
1. _____	_____
2. _____	_____
3. _____	_____
4. _____	_____
5. _____	_____

The undersigned registered elector, understanding the terms and the nature of Ordinance hereto attached, petition the Council for its adoption or in lieu thereof, for its submission to the electors for their approval.

<u>Name</u>	<u>Address</u>
_____	_____

adding as many more lines as are necessary so that all petitioners when totaled will equal not less than ten percent (10%) of the total number of votes cast at the last preceding regular municipal election.

At the end of the list of signatures shall be appended the affidavit of the circulator mentioned above.

Section 5.06. Filing of Petitions and Action Thereon. All the signature papers shall be filed in the office of the City Clerk as one instrument. Within five (5) days after the filing of the petition, the City Clerk shall ascertain by examination the numbers of electors whose signatures are appended thereto and whether this number is at least ten percent (10%) of the total number of electors who cast their votes at the last preceding regular municipal election. If he or she finds the petition insufficient or irregular, the Clerk shall at once notify one or more of the committees or sponsors of that fact, certifying the reason for the finding. The committee shall then be given thirty (30) days in which to file additional signature papers and to correct the petition in all other particulars. If at the end of that period, the petition is found to be still insufficient or irregular, the Clerk shall file it in the office and shall notify each member of the committee of that fact. The final finding of the insufficiency or irregularity of a petition shall not prejudice the filing of a new petition for the same purpose, nor shall it prevent the council from referring the ordinance to the electors at the next regular or any special election at its option.

Section 5.07. Action of Council on Petition. When the petition is found to be sufficient, the City Clerk shall so certify to the Council at its next meeting, stating the number of petitions and the percentage of the total number of electors which they constitute, and the Council shall at

once read the ordinance and refer it to an appropriate committee, which may be a committee of the whole. The committee or Council shall thereupon provide for public hearings upon the ordinance, after the holding of which the ordinance shall be finally acted upon by the Council not later than sixty-five (65) days after the date upon which it was submitted to the Council by the City Clerk. If the Council fails to pass the proposed ordinance, or passes it in a form different from that set forth in the petition and unsatisfactory to the petitioners, the proposed ordinance shall be submitted by the Council to the vote of the electors at the next regular municipal election; but if the number of signers of the petition is equal to at least fifteen percent (15%) of the total number of electors voting at the last regular municipal election, the Council shall call a special election upon the measure. Such special election shall be held not less than thirty (30) days nor more than forty-five (45) days from the date of final action on the ordinance by the Council or after the expiration of sixty-five (65) days from the date of submission to the Council when there has been no final action; but if a regular election is to occur within three (3) months, the Council may submit the ordinance at that election. If the Council passes the proposed ordinance with amendments and at least 4/5 of the committee of petitioners do not express their dissatisfaction with such amended form by a statement filed with the City Clerk within ten (10) days of the passage thereof by the Council, the ordinance need not be submitted to the electors.

Section 5.08. Initiative Ballots. The ballots used when voting upon any such proposed ordinance shall state the substance of the ordinance and shall give the electors the opportunity to vote either “yes” or “no” on the question of adoption. If a majority of the electors voting on any such ordinance vote in favor of it, it shall thereupon become an ordinance of the City. Any number of proposed ordinances may be voted upon at the same election but the elector shall be allowed to vote for or against each separately. In case of inconsistency between two initiated ordinances approved at one election, the one approved by the higher percentage of electors voting on the question shall prevail to the extent of the inconsistency.

Section 5.09. Initiation of Charter Amendments. Nothing in this Charter contained shall be construed as in any way affecting the right of the electors under the constitution and statutes of Minnesota to proposed amendments to this Charter.

REFERENDUM

Section 5.10. The Referendum. If within thirty (30) days of the effective date of any ordinance or resolution a petition signed by registered electors of the City equal in number to ten percent (10%) of the total vote at the last regular municipal election is filed with the City Clerk requesting that any such ordinance or resolution be repealed or rescinded or be submitted to a vote of the electors, the ordinance or resolution shall thereby be prevented from going into operation. All the signature papers shall be filed in the office of the City Clerk as one instrument. Within five (5) days, excluding Saturdays, Sundays and legal holidays, after the filing of the petition, the City Clerk shall ascertain by examination the numbers of registered electors whose signatures are appended thereto and whether this number is at least ten percent (10%) of the total number of electors who cast their votes at the last preceding regular municipal election. The Council shall thereupon reconsider the ordinance or resolution at its next regular meeting, and either repeal or rescind it or reaffirm the ordinance or resolution as passed. In the latter case, the Council shall immediately order a special election to be held thereon, or submit the ordinance or resolution at

the next regular municipal election, pending which the ordinance or resolution shall remain suspended. If a majority of the electors voting thereon is opposed to the ordinance or resolution, it shall not become effective; but if a majority of the electors voting thereon favors the ordinance or resolution, it shall go into effect immediately.

(Ord. 97-16, passed 10-13-97; Ord. 99-21, passed 11-08-99)

Section 5.11. Referendum Petitions. The requirements laid down in Sections 5.04 and 5.05 above as to the formation of committees for the initiation of ordinances and as to the form of petitions and signature papers shall apply to the referendum as far as possible, but with such verbal changes as may be necessary. A referendum petition shall read substantially as follows:

If the vote at any such recall election shall recall the officer then the candidate who has received the highest number of votes for the office shall thereby be elected and shall hold office for the unexpired term.

Subdivision 7. No recall petition shall be filed against any officer until he or she has actually held his or her office for at least six (6) months.
