Re: Alley Reconstruction – Contract Awarded

Dear Resident or Property Owner:

The City of West St. Paul has contracted with Veit USA to reconstruct the alley between Mina Street and Dodd Road this year. To execute this work in a timely manner, Veit is required to complete the work within 30 calendar days from start to finish. Their start date cannot be later than September 1, 2026. Due to this approach, there will be little to no access to the alley, rear parking, or garages during those 30 days. The dates of this work and more construction related information will be mailed out in April.

If you have any questions, please contact Kwadwo Aduro at [kaduro@wspmn.gov](mailto:kaduro@wspmn.gov) or 651-552-4167.

Sincerely,

Ross Beckwith, P.E.  
Public Works Director/City Engineer
